Would you like to do another drawing? If so, try this:

Design the kind of insect that would be attracted to these flowers. Draw an insect from real life or a made up insect from your **imagination**.

Also, ask an adult to post a photo of your work on Facebook and tag @wabashvalleyartspaces, or email it to info@wabashvalleyartspaces.com and we will post it on the Art Spaces Instagram page.

This coloring page was created by Wyatt Lawson based on a sculpture by C.J. Rensch, an artist from Oregon. C.J. likes to create cheerful sculptures that people recognize right away and he always hopes his work will brighten someone's day. *Urban Flowers* is on 7th Street, just south of Ohio Street in downtown Terre Haute.

Art Spaces, Inc. is an organization in Terre Haute dedicated to making Terre Haute come alive with public art that celebrates the history and character of our city, and builds lively and spirited public places for everyone to enjoy.

The Coloring Page Project is sponsored by the Frederick Benson Trust
with added support from Casey's Foundation
